Gaylord Opryland Resort and Convention Center Shipping Instructions

PREPARING YOUR SHIPMENT

FedEx Office is committed to providing you with an outstanding experience during your stay. All guest and event packages being shipped to the property must follow the address label standards (illustrated below) to prevent package routing delays. Please schedule your shipment(s) to arrive four days prior to the event start date to avoid additional storage fees. Use the name of the recipient who will be on-site to receive and sign for the package(s). Please do not address shipments using property employee names, unless the items are specifically for their use (e.g., hotel specifications, rooming lists, or signed documents); this includes arranging for deliveries to all areas on the property.

If a package has not been picked up by the recipient and no contact information is provided, the package will be returned to the sender, who will be responsible for all additional shipping fees. For more information on package retention, the Return to Sender process, or to schedule package deliveries, please contact the FedEx Office Business Center at 615.391.0381. Package deliveries should only be scheduled after the recipient has completed the check-in process.

In cases where a drayage company or a meeting decorator is used, FedEx Office team members will work closely with those vendors for proper package routing and release items directly to those vendors if they are on the property when the shipments arrive. Any decorator or drayage packages requiring overnight storage by FedEx Office will be assessed a handling fee. If your meeting /event is being handled by a drayage company or decorator, please ensure your shipments are being sent directly to the drayage company's or decorator's specified address. Items that require extra handling, such as pallet/crate breakdown or build up, multiple pickup or delivery points, or collecting or disposing of packaging materials, will be assessed an additional fee of \$70.00 per hour with a minimum of \$35.00 for 30 minutes. This fee will be assessed for each FedEx Office team member dedicated to perform these additional services. Packages, pallets, crates, display cases and other heavier items may be scheduled for delivery by contacting our staff at 615.391.0381; a delivery fee will apply. Package deliveries should only be scheduled after the recipient has completed the check-in process. Release signatures are captured at the time of package pickup or package delivery to the recipient.

UPON YOUR DEPARTURE

FedEx Office offers pack and ship services and packaging supplies, such as boxes, tape, etc., which are also available for purchase at the FedEx Office business center.
